

GENEROUS LIVING

ALL OF ME
IN RESPONSE TO ALL OF HIM
DECEMBER

In May of 1990 I was re-baptized into the Adventist church after being away for 22 years. Later that year, I went into a battered women's shelter and then into a homeless shelter. I later applied for a job at a "temp" agency. I was very open and honest, telling the lady who interviewed me that I could not work on the Sabbath. Looking back, I now wonder if that lady was an angel that God had placed in my path to help me.

Within just a couple of weeks, I received a call requesting an interview. I interviewed with the York County Board of Disabilities and Special Needs and was immediately hired during the interview. They had obtained my name and number from the "temp" agency. The hours were perfect and I never had to work on Sabbath. I knew that God had

His hand in this interview and job.

When I arrived for work on my first day, I was surprised to learn that there was another Adventist lady working there. Never did I imagine that God would provide such a job for me and that I would have a co-worker who shared my beliefs!

The Lord loves creating positive things out of situations that seem impossible. God once again proved that He will provide for and take care of His children. All we have to do is trust Him and faithfully commit to fully surrender to Him!

IT IS ALL OF US IN
RESPONSE TO ALL OF HIM!
