

"I would say my preaching has become more Christ-centered, more biblically basic, and certainly ministering more to the felt needs of people," Mark Finley.

We all have problems. That's a fact of life. What we do and how we deal with major life challenges will determine the level of growth we will experience. Thankfully, there is help. "We All Have Problems HOPE" is a one-week practical bible presentation of some of the most common problems people have and how God's grace positively impacts them. You are not alone. Join us. We will get through this together.

Vision

- 1. Unite the body of Christ in a city-wide evangelistic series across conference lines.
- 2. Approach educational institutions, churches, and hospitals to all work together.
- 3. Train members to see service & evangelism as a way of life, not an event.

- The plan has four simple steps:
 - 1. A **daily** service activity that any one person can do. This is encouraged in the daily devotional called: Season of Service
 - 2. Challenge each **church department** to select at least **one service project** they participate in as a team.
 - 3. You can organize a **weekend** service-intensive activity with multiple opportunities to serve as churches, groups, families, and individuals. This intensive usually happens around day 20 of the 40 days.

- We will provide the brochures with all of the SOS weekend opportunities along with a website where they can sign up to volunteer.
 www.mycitysos.com
- We also provide t-shirts for all those who volunteer.
- 4. End the 40 days with a **Sabbath** celebration of service in your local church, where you affirm and thank volunteers for their service. In addition, you can invite and pray for civic leaders and local service organizations at that time.

40 days before-GOD'S CITY, MY CITY-PRAYER AND SHARING CAMPAIGN & SMALL GROUPS (Preparation/Proclamation)

GCMC has three components:

1. <u>Six Small Group Lessons</u> are found in the first part of the book. One lesson for each week will lead up to the week of the evangelistic series. These lessons encourage the members of the small group to:

Love the city.	Pray for the city.	Engage the city.
Serve the city.	Invite the city.	Transform the city.

- **FREE:** For the small group leader or pastor- A short version of how to teach each lesson. Watch it here: <u>https://www.youtube.com/user/pastorRogerHernandez/videos</u>
- Free: Small group leader training manual. A simple how-to for the small group leader. Download it here for free.
 http://www.slideshare.net/RogerHernandez6/my-citygods-cityhowto
- <u>40-Day Prayer and Sharing Devotional</u> is found in the back of the book. We encourage everyone to pray for each aspect of the evangelistic series and share their faith daily. The devotional provides:
 - A memory verse to ground him/her in God's word.
 - Applications to teach him/her God's word.
 - A practical assignment to put into action God's word in his/her life

3. <u>Sermon Series</u> — with the same six titles as the small group lessons, to be developed by the pastor and preached concurrently with the small group series.

40 days before-ADVERTISING & PRE-REGISTRATION (Preparation)

- We begin to blanket our neighborhoods with handbills and posters, radio and newspaper ads, etc....
- At this time, we begin to pre-register everyone, including members. Why everyone?
 - So our guests will not feel like we are just singling them out.
 - To create a spirit of fellowship where everyone knows your name.
 - We can keep a better record of attendance.
 - There is a greater sense of commitment to attend if you are pre-registered.

3-4 weeks before-VOLUNTEER TRAINING DAY (Preparation)

- Committees are formed, and directors are assigned
- Each committee director will get the opportunity to meet with their volunteers and go over details and their responsibilities during the week of the series.
- The training is an important factor in the organization and excellence of each area of the series.
